

# PW Club Development

Ideas for increasing & developing adult participation

## RYA Training

### **Aim:**

To offer a variety of RYA training courses to all club members.

**Duration:** 1-2 days, on going.

**Run by:** RYA instructor, organised by club volunteer or committee member

### **Example content:**

RYA PWC competency courses. RYA VHF radio courses. RYA First Aid courses. RYA Basic navigation courses. RYA Day skipper shorebased courses.

**Kit required:** RYA training centre

### **Benefits:**

Membership recruitment. Retention of members. Volunteer & marshal skill development. Good reputation through having fully qualified member base. PWC training can be taken by age 12year + (inclusion). Increased general safety for all members.

### **Options:**

Become an RYA training centre, forge links with another PWC club that is currently an RYA training centre or link up with a existing local commercial RYA training centre. Attempt to gain club member discounts where possible when using a commercial centre.
